**WALK OUT WALK ON:**

**A Learning Journey into Communities Daring to Live  
the Future Now  
by Margaret Wheatley and Deborah Frieze**

In this era of increasingly complex problems and shrinking resources, can we find meaningful and enduring solutions to the challenges we face today as individuals, communities and nations?

In *Walk Out Walk On*, authors Meg Wheatley and Deborah Frieze invite you on a learning journey to seven communities around the world to meet people who have walked out of limiting beliefs and assumptions and walked on to create healthy and resilient communities. These Walk Outs who Walk On use their ingenuity and caring to figure out how to work with what they have to create what they need.

From Mexico to India, from Columbus, Ohio to Johannesburg, South Africa, we discover that every community has the ingenuity, intelligence, and inventiveness to solve their seemingly insolvable problems.
